 Ashton Foley -----\$200  
 Morgan Means -----\$105  
 Alex Ford----- \$100  
 Leah Lawrence----- \$100  
 Destiny Stein----- \$70

Meet us at the top!

### REMINDER TO ALL 8<sup>TH</sup> GRADE PARENTS

All invoices must be taken care of by June 4 in order for students to walk across the stage.

**PLEASE TAKE CARE OF INVOICES IMMEDIATELY.**

### PRINTING AT CCCS

Parents we need you to stock ink and paper in your home printers and make sure they are operational. We are spending way too much time and money helping students print assignments

The office is to be used in an **emergency only** which means if your child comes without their printed documents, they will get a zero on the assignment.

Kinkos is open 24 hours, the library has printing, the El Camino satellite technology lab has printing, students have to responsible for printing their own work; they should NOT wait till the night before it is due to print, projects should be printed and ready to go before the due date!

### THANK YOU THANK YOU THANK YOU

- ALL the parents who donated snacks for our testing days.
- 6<sup>th</sup> Grade parents for being patient waiting for your children to return from the hike.
- AND a special thank you to the CCCS Staff. Families, they are ALWAYS here to support you and your children. They go WELL beyond the required duties and assignments. If someone needs help at CCCS some staff member at CCCS is going to give it.

### IN DANGER OF FAILURE NOTICES

**GO HOME  
THIS FRIDAY  
FOR ALL CLASSES  
ASK YOUR CHILD**
