Letters of Intent (student invitations to return to Century Community Charter School) go home on Monday, June 9, 2008. Every student receives an envelope. Students with letters inside are offered enrollment for the next school year, students with empty envelopes are not invited back. The evaluation process is simple, we look at the entire picture for the entire family for the entire year asking these questions, Does:

- the student have any "F's"
- the student have any U's?
- the student come to school on time every day?
- the student wear the correct uniform every day?
- the family pick up progress and report cards?
- the family support Shakey's Night, Legacy Night, AND the raffle?
- family support the student by attending Meetings/Family Nights?
- family support the student by completing Parent Volunteer Hours?
- the student regularly attend Saturday School/Century/LIFT when required?

WAKE UP CALL to selected 8th Graders and their Families! We continue to have 40% of our 8th graders not completing homework. Parents continue to sign Agenda's as if their homework is completed and it is not. Students NEED TO READ! They have a novel to read and assigned pages in Social Studies and Science that are not being read. There is NOTHING we can do for 8th graders who FAIL; they will NOT walk across the stage! Parents they need your intervention! This is NOT the time to call teachers, this IS the time to make sure your

child is completing all written and reading assignments AND that they come to school ON TIME with a positive attitude. Doing homework and closing mouths in class go a LONG way to improve academic progress and behavior.

NOW, to the 60% of the 8th Graders who continue to do what is asked and GO BEYOND, we are VERY proud of your consistent hard work and effort. You receive your rewards daily, AND they have only just begun!

Fieldtrip Alert

The 6th graders are going to the Long Beach Aquarium and the 7th/8th Graders are going to Riley's Farm on Friday, May 16, 2008. These are expensive trips and we are asking for \$10 from the 6th Graders and \$15.00 from 7th and 8th Graders. Money is due by Wednesday, May 15th. You MAY send money early but ONLY in envelopes with the child's name, grade, and advisory on front. Turn these into the office NOT to teachers.
